Respect YOUR Stomach

GIVE it food that will not irritate or retard the performance of its natural functions, and it will reciprocate in a way agreeable and comforting.

No single ingredient contributes so largely toward wholesome, nourishing, agreeable food as Royal Baking Powder.

Royal Baking Powder's active ingredient, Grape Cream of Tartar, is the most healthful of the fruit products.

This is why Royal Baking Powder makes the food finer, lighter, more appetizing and anti-dyspeptic, a friend to the stomach and good health.

Imitation Baking Powders Contain Alum

"The use of alum and salts of alumina in food should be PROHIBITED. The constant use of alum compounds exerts a deleterious effect upon the digestive organs and an irritation of the internal organs after absorption."

Unusual Offer.

"It isn't often that we have faith enough in the medicine put up by other people to be willing to offer to refund the money if it does not cure," said L. M. Buehler to a Compiler man who dropped into his store, "but we are glad to sell Dr. Howard's specific for the cure of constipation and dyspepsia on that basis."

"The Dr. Howard Company in order to get a quick introductory sale, authorizes us to sell their regular fifty cent bottles at half price, 25 cents, and although we have sold a lot of it, and have guaranteed every package, not one has been brought back as unsatisfactory."

"One great advantage of this specific," he continued, "is its small dose and convenient form. There are sixty doses in a vial that can be carried in the vest pocket or purse, and every one has more medicinal power than a big pill or tablet or a tumbler of mineral water."

"We are still selling the specific at half price, although we cannot tell how long we shall be able to do so, and anyone who is subject to constipation, sick headache, dizziness, liver trouble and indigestion, or a general played-out condition, ought to take advantage of this chance."

Schubert Symphony Club.

The Schubert Symphony Club composed of Lady Quartette, Lady Reader and Violin Soloist will give an entertainment in Xavier Hall tomorrow evening, Thursday, April 11th. Chart now open at Huber's Drug Store. Reserved seats 50 cents, for benefit of Elks' Charity Fund.

The club comes highly recommended. The Chicago Times Herald says, "The Quartet was good and its selections were especially acceptable as they were new to this city." In Denver it was said "Their entertainment was strictly first-class and gave entire satisfaction." Robt. F. Pennell, Principal of California State Normal School said, "Everybody was pleased, and it is the universal verdict that it was the best all-round entertainment we ever had here." And the Pres. of Epworth League at Chattanooga, Tenn.: "The entertainment given by the Schubert Symphony Club and Lady Quartette at the First M. E. Church last night was a splendid success and highly satisfactory to the local committee in charge. We will be glad to make a return engagement with them in this city."
